

**Chris Allsopp,**

After graduating in Chemistry & Materials Science from the University of Nottingham in 1990, Chris worked in a number of commercial & Sales roles within the chemical industry before joining Lubrizol in September 2005.

Initially working in Sales and extending his role to take on a number of European & global Sales responsibilities, Chris was then appointed Lubrizol's Marine Business Manager in 2012 with business responsibility for Lubrizol's marine additive business.

In August 2017, Chris was appointed Lubrizol Sales Manager for UK & Portugal.
